Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the prior art of record, absent applicant's own disclosure, fails to teach the entire combination of elements set forth in the claimed invention. Specifically, the prior art of record fails to teach an apparatus for sealing a vacuum chamber comprising a flat shell having an opening, a door movably located in the flat shell, an elevating mechanism located on the flat shell for moving the door and the guide stem fixedly connecting with the frame elevator and the support frame, the second stroke cylinder mounted in the frame elevator, the second stroke cylinder having a second piston rod that moves parallel to the first rods and the shell has a guide plate fixedly mounted thereto, the guide stem and the second piston rod are inserted through the guide plate. See claim 18, lines 1-5 and 10-13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory J. Strimbu whose telephone number is 703-305-3979. The examiner can normally be reached on Monday through Friday 8:00 to 4:30.
